

NURSING CARE

Meet The Team

The Right Care Makes All The Difference

Rose Leib

Executive Director, LPN

Licensed Practical Nurse | 15+ Years

Rose Leib brings over 15 years of leadership and clinical expertise to American Orchards. She has a proven track record of success as a *Director of Nursing* and *Executive Director* in multiple successful assisted living and memory care communities. Rose has been

able to achieve deficiency-free ratings from the Department of Health and ensure that quality care and best practices are implemented for the residents at American Orchards.

Jeff Gerodias

Asst. Executive Director, RN

Registered Nurse | 15+ Years

Jeff Gerodias is a seasoned healthcare professional with a solid foundation in nursing and administration. As a Registered Nurse, Jeff has over a decade of experience working with families and overseeing patient care. As *Director of Nursing and Administration* in skilled nursing facilities, he has consistently maintained 5-star ratings and achieved multiple zero-deficiency Department of Health surveys. His expertise extends to home health and hospice making him a knowledgeable resource for residents and families. He is dedicated to each patient's care and achieving quality outcomes.

Sarah Wood

Director of Nursing, LPN

Licensed Practical Nurse | 15+ Years

Sarah Wood is a dedicated Licensed Practical Nurse (LPN) with over 19 years of experience primarily focused in senior living and geriatrics. Her passion for resident care is seen through her advocacy for residents and their families, ensuring

compassionate and personalized care plans are implemented to meet each resident's needs. Sarah also brings experience to the team through her background in home health and hospice, allowing her to understand and work with families to provide the best options and solutions for care. Sarah's leadership, communication style, and experience allow her to achieve positive patient outcomes and bless the lives of those she works with.
